

STEP Canned Food Drive Helps Lighthouse Mission

April 22, 2005

Employees and supporters of Services to Enhance Potential in Wayne, Michigan recently held a canned food drive to benefit the Lighthouse Mission in Westland, Michigan. Over 400 lbs. of food were collected and delivered by one of Services to Enhance Potential's Community Volunteer groups.

Services To Enhance Potential is a non-profit Employment and Placement Services Agency that supports people with disabilities. Volunteer groups from the organization regularly assist other community groups such as the Lighthouse Mission which runs several food programs that benefit

people who are in need.
