A very successful "Abilities at Work" event was held this morning at the Detroit Resource Center. The primary goal of Abilities at Work is to introduce the mission, goals, and services offered at STEP to a select group of community leaders. The plan is to hold several of these one hour events at each of STEP's seven Resource Centers. Abilities At Work will increase public awareness and build a network of support from people who have gained first hand knowledge of STEP and its excellent program.

We would like to thank the following for participating in the Detroit Abilities at Work event:

Dr. Alexa Joshua
Mr. Errol Service, Managing Director, E.C.S. Partnership – McDonald's
Dr. Kinhal
Mr. Clarence McCarty, Manager, KFC
Ms. Lillie Greene, Manager, KFC
Mr. Arthur Simons

The presenters from STEP were Jim Grice, President/CEO; Richard Smith, Board Member; Jan Wagner, Supports Coordination Supervisor; Margie Campbell, Employment Representative; and Pat Houlihan, Regional Director.
