

September 26, 2008

Cynthia Blair presents a very generous gift of \$10,000.00 in memory of her Aunt, the late Stephanie Tatkowski. Stephanie's daughter Valerie had attended the Dearborn Resource Center. The gift has been designated to the Transportation Fund per Mrs. Tatkowski's wishes. Carol Murchison, Supports Coordination Supervisor of the Dearborn Resource Center accepted the gift on behalf of STEP

According to Cynthia, Stephanie always appreciated the fact that STEP provided transportation because she did not drive. The gift was made possible in her Will which designated part of the proceeds from the sale of her home. Stephanie Tatkowski also made a generous donation in her daughter's name when Valerie passed away in 1994.

Services To Enhance Potential truly appreciates the generosity of the Stephanie Tatkowski family and thank them for all of their support over the years.
