The children of Barth Elementary School in Romulus presented Services To Enhance Potential with a donation in the amount of \$217.68 this afternoon. Ronald Krzesniak, Placement Director, was on hand to receive the donation on behalf of STEP.

The school promotes philanthropy by having a Spirit Week to raise the funds for designated charities. STEP was the beneficiary of Hat Day when the kids made a contribution for the privilege of wearing a hat to school. All of the children, K through 6th grade, were gathered in the gym to witness the presentation and to hear a little about how their gift would be used.

Services To Enhance Potential is honored to be the recipient of these funds raised by Barth Elementary School students, families, and staff and appreciate everyone's efforts. Ms. Diane Golka is the principal and Ms. Sheila Stasak coordinated the events which led to the presentation today.
