STEP Entrepreneurs Sell Their Wares at Taylor's Gibraltar Trade Center

STEP Entrepreneurs offered a variety of gifts for Valentines Day compliments of Gibraltar Trade Center's Jim Koaster who provided a complimentary booth for the day. The market was larger then any one of them had ever experienced before. Representing the Downriver Resource Center were Crafter Friends, Avon by Jan, Baubles Beads & More, and Paper Impressions. Representing the Dearborn Resource Center were Campbell's Braille Service, Bella Crafts, Daffodil Crafts, and Paul's Arts & Crafts. Bonnie, Karen and Jan took over as sales representatives. Everyone agreed it was a good learning experience and a fun time.
